## PARENT/PUPIL REQUEST - Name

## DATE OF REQUEST

## DESCRIPTION OF WHAT FUNDS ARE FOR

**Cameras:** The art department would like to purchase x20 cameras for the use of pupils in their art lessons, for each art teacher to have a camera in their room to record and document pupils work and for the cameras to be used by the whole school on trips day. Cameras could also be used on outdoor learning days.

**Floor Cushions:** I would like to supply each art room with some floor cushions. The younger children would benefit from them when watching and discussing art work on the whiteboard. All Year groups would benefit from using them for outdoor art activities, weather permitting.

**Remembrance Day Celebration** We would like every pupil from years 1 – 8 to make a clay poppy to be part of a display on the Head Master's Lawn. The pupils will also make a poppy to take home.

## VALUE OF REQUEST: *(please also state if this is a percentage of the total value of the project or full funding)*

x20 Canon IXUS 185 Digital camera @ £99 each = £1,980

Floor Cushions (enough for 3 art rooms) £600

Materials for making poppies £900

## FODH raises money to be spent on projects and equipment to enhance pupils' experience of being at the school. Why do you believe this funding will benefit the pupils of Danes Hill?

The cameras would provide our pupils with an additional art skill and method of recording their work through the many stages of its progression.
